6. Highlights:

University of Kalyani, a state university of West Bengal, was established in 1960. The AICTE-approved engineering courses of the university are run in the Department of computer Science and Engineering, and the Department of Engineering and Technological Studies under the Faculty of Engineering, Technology and Management.

The Department of Computer Science & Engineering of University of Kalyani was established in 1992. It started functioning in the Department of Physics, University of Kalyani, with only one course and that was Postgraduate Diploma in Computer Application (PGDCA) with student strength of fifteen. Subsequently, at the end of 2002, the Department started functioning in its new building. The two AICTE-approved Post-Graduate courses, Master in Computer Application (MCA) and M.Tech. in Computer Science (M.Tech.(CSE)) were introduced in 2001 and 2003 respectively. AICTE has approved the undergraduate course, B.Tech. in Computer Science and Engineering (B.Tech.(CSE)) to be introduced from 2022-2023 session. Besides this, the department currently supervises two M.Sc. programmes in Computer Science and Data Science, which have been introduced from academic session 2019-2020. The department also offers Ph.D. degree in various areas of Computer Science and Engineering. The department currently has 9 efficient full-time faculty members (regular – 7, contractual – 2) and 6 other staffs to run the courses smoothly. Healthy teacher-student relationship and well equipped laboratories have paved the way towards growth in the IT sector. The department recognizes the importance of Computer Science in the modern world and is dedicated towards making all possible efforts to place its students in the long run. Moreover, the faculty members of the department are highly involved in cutting edge research on different trending areas of computer science and related topics and published more than 600 articles in reputed peer-reviewed journals and conferences.

USIC (Currently Department of Engineering & Technological Studies), University of Kalyni established in 1978 by the UGC was the only USIC in the Eastern region of India offering job-oriented technical training programmes since the academic session 1992-1993.As per the advice and the approval from the AICTE, University of Kalyani introduced Two 4-year B. Tech courses in— (i) Electronics and Instrumentation Engineering and (ii) Information Technology at USIC from the academic session 1999-2000 with the intake from WBJEE. In 2005 USIC obtained the approval of

AICTE for M. Tech. course in Communication Engineering, that was started in 2010-2011 academic session. The Ph.D. curricula in several field of Engineering were also started at USIC from the same academic session as per UGC guideline. In 2022 the department obtained the approval of AICTE to start a 4-year B. Tech course in Electronics and Communication Engineering and a 2-year M. Tech. course in Information Technology.
