Date: 11th October, 2022

To,
The Principal/Officer-in-Charge/Director,

Sub: - Course on HAM Radio

Sir,

I am pleased to inform you that under Rastriya Uchchar Siksha Abhiyan (RUSA), the Department of Engineering and Technological Studies, University of Kalyani is going to re-run a 3 months certificate course on **Disaster Management using Ham Radio** for the year 2022. The aim of the course is to train the participants for the examination conducted by the Department of Telecommunication, Govt. of India for the award of Ham Radio License. The course also aims to make the participant aware about the methods of application of Ham Radio during the times of disaster.

Students of recognised educational institutions and employees (both contractual and permanent) of Government or Government Sponsored organisation, with at least 60% marks in Physical Science and Mathematics at secondary level examination are eligible to apply for the course.

Online application form and other details can be found at the following web link:

<https://sites.google.com/klyuniv.ac.in/hamradio-application-form/2022>

I request you for wide circulation of this information through appropriate channel.

Thanks & Regards

Partha Pratim Sarkar
