Workshop on

Entrepreneurship in Data Analytics: Econometric Techniques in Practice

Department of Economics

University of Kalyani

January 03-11, 2023

The Department of Economics, University of Kalyani is going to organise a seven days workshop on 'Entrepreneurship in Data Analytics (Datapreneurship): Econometric Techniques in Practice' from January 03 to January 11, 2023. Objective of the workshop is to give hands-on training on application of software to selected Econometric techniques. The expected outcome of the workshop is to make the participants prepared for jobs in Data Analytics as well as in applied research. Experts from both academics and industries will conduct the workshop.

The workshop will be held in offline mode at the campus of the University located at Kalyani, West Bengal during January 03- January 11, 2023. Eligibility for attending the workshop is M.A./M.Sc. in Economics or Statistics. A registration fee of Rs. 2000/- is payable for the workshop. A maximum of 30 participants can be accommodated for the workshop.

No. T.A/D.A. is admissible for attending the workshop. Accommodation at the University guest house can be arranged on payment.

Those who are interested to attend the workshop may apply with a one page CV containing institutional affiliation, contact no., email address and a brief statement of purpose. Applications should be sent at **workshopkuecon@gmail.com**. The last date for submission of application is December 08, 2022. Selected applicants will be informed by December 15, 2022.
