### Admission notification for Post-Graduate Programmes for the year 2022-23 Notification No.: PG/11/F/2022

#### Notification for admission through online counselling to vacant seats in Post-Graduate Programmes for the year 2022-23 vide Advt. No.: PG/11/2022.

The University of Kalyani has followed all the procedures for online PG admission and provided opportunities to all categories of students based on merit, strictly adhering to reservation norms and government orders.

After several admission cycles, including Admission from the willing candidates, it has been observed that some PG seats still remain vacant/canceled by the admitted students.

In view of the maximum possible Admission in postgraduate subjects, the University is further opening the window of merit-based admission opportunities through online Counselling to the students who have already filled up the option for willing.

#### **Important Instructions for the interested applicants:**

- The counseling will be done through the Google meet platform as per the attached schedule.
- **The meeting link will be provided through email to those candidates who have opted for the option for willing but not enlisted in the admission list before. Candidates appearing in the counseling process through the link collected from other sources will not be considered for counseling.**
- **Taking part in the counseling procedure does not ensure the Admission of a candidate. As the number of vacancies in most of the subjects is very few and somewhere specifically categorized, the counseling for a subject will continue until the fulfillment of the category-wise vacant seats only.**
- **The candidates will be allowed to join in the counseling procedure only up to the time mentioned in the schedule, and counseling will be done to those candidates only who have joined within the specified time. No further claim will be entertained.**
- **The link for proceeding with online Admission and the payment for submission of admission fees will be provided to the selected candidates immediately after the counseling. The link will be active for up to 24 hours. No further claim in any respect will be entertained.**
- **If it is found that a candidate has submitted any of his/her data fraudulently/incorrectly at the time of submission of the online application form, the University retains the right to revoke the candidacy of the applicant during the counselling process.**
- In case of any discrepancy during counselling, the decision taken by the University will be the final.
- The Admission of a candidate through online counselling is purely provisional, and only after verifying the applicant's data/documents (physically or in any other format as will be decided by the University later), will they be considered "Confirmed."
- This is being issued with the kind concurrence of the Hon'ble Vice-Chancellor.
