Resolutions

The Committee members unanimously decided
to request the department to recommend the
list of journals which is not in the UGC published
list within tomorrow (1 PM). The members requested
~~please~~ Hads to visit the website of UGC in this regarde.

For the journals suggested by some publishers
and authority ~~other than~~ University/colleges
the Committee recommended that some external
experts may be involved to ~~scrutinize~~ give their expert opinion
the same. The Members unanimously decided
to form a Committee to review the quality
of the journals submitted by some publishers
and some University/colleges.

Since the impasse due to list of journals published
by the UGC for verification of API, it was
decided ~~not to initiate~~ to withhold the API verification/
calculation at the moment, to extend the benefit
of to the applicant, subject to the ~~ve~~ approval of
