FDP Overview

The Faculty Development Programme (FDP) is designed with several modules scheduled over a week-long period. These modules will encompass various lessons, offering instructional content, resources, interactive hands-on sessions, demonstrations, and insights from guest subject matter experts. At the end of each module, participants will undertake a multiple-choice quiz, featuring at least one graded question.

22-28th August, 2023

University of Kalyani

Important Dates

FDP Starts on: 22nd August 2023

Timing: 11:00 AM-4:00 PM

Last Date of Application: 19th August, 2023

Target Audience

- Faculty Members
- Library Professionals
- Academic Administrator
- Early Career Researchers
- Research Associate
- Research Scholar
- Research Assistant

Objectives of FDP

The FDP is a comprehensive course designed to equip participants with the necessary skills and knowledge to excel in academic research. In an era of rapid information expansion and technological advancements, this course focuses on leveraging cutting-edge tools and techniques to enhance the research process, from initial discovery to the final dissemination of findings.

Objectives

- To identify the most relevant academic research papers.
- To successfully use research support tools to enhance the effectiveness and productivity of research.
- To evaluate and select resources and cater to various learning abilities.
- To enhance search skills from traditional to advanced methods for expediting literature reviews.
- To summarize academic research articles and save valuable time.
- To promote academic integrity and research ethics.
- To identify predatory, fake, and cloned journals.
- To smoothly collect, organize, and categorize academic articles using state-of-the-art tools.
