## CENTRE FOR INFORMATION RESOURCE MANAGEMENT

### ABOUT FDP

In the era of rapid technological advancements, Artificial Intelligence (AI) is revolutionizing various sectors, including academia. This Faculty Development Programme (FDP), titled "Smart Research: Integrating AI Tools into Academic Work" aims to provide researchers, scholars, and academic professionals with comprehensive insights and practical skills to harness the power of AI in their research endeavors.

### OBJECTIVES

- To introduce participants to the various advanced AI tools available for academic research.
- To demonstrate practical applications of AI-powered tools in different stages of the research process.
- To enhance participants' research productivity and efficiency through AI integration.
- To foster an understanding of ethical considerations in the use of AI in academic research.

### TARGET AUDIENCE

- Faculty Members and Academic Researchers
- Doctoral Students
- Research Associate and Assistants
- LIS Professionals

### EXPECTED OUTCOMES

- Gain proficiency in using AI tools for various stages of academic research.
- Enhance their research efficiency and productivity.
- Develop a critical understanding of ethical considerations in AI applications.
- Be prepared to integrate AI tools into their academic work effectively.

## SEVEN DAY FDP

ON

## SMART RESEARCH: INTEGRATING AI TOOLS INTO ACADEMIC WORKS

(VIRTUAL MODE)

September 19-25, 2024

Organized by CIRM

[www.klyuniv.ac.in](http://www.klyuniv.ac.in)

Kalyani, West Bengal, India

REGISTER NOW!

## PARTICIPATION FEES

- Faculty Members/Academic Researchers/LIS Professional/Academic Administrators - **Rs 1500/-**
- Doctoral Students/Research fellows/Associates/Assistants- **Rs 750/-**

**Open For Registration!**

**Last Date of Receiving  
Application  
September 17, 2024**

## FDP CONTENT

- Introduction to AI in Academic Research
- AI Tools for Literature Review
- Data Collection , Analysis and Interpretation with AI
- AI-Content Detection Tools
- AI Tools for Data Collection and Text Analysis
- AI Tools for Writing and Publishing
- Enhancing Writing with AI Tools
- Ethical Considerations and Future Trends
- Ethical Use of AI in Research
- AI-powered Tools for Making Presentations

## METHODOLOGY

The FDP will employ a mix of instructional methods including:

### Lectures and Presentations

To provide theoretical knowledge and contextual understanding

### Hands-On Sessions

Practical exercises and demonstrations of AI-enabled tools

### Q & A Sessions

To address participant queries and provide tailored advice
