Instruction to the concerned HODs/PIs/PDs/Mentors/Teachers/Research Scholars/Research Associates/Other Users

1. The order will be placed as per the requirement of the user. Under no circumstances, order value with all taxes and charges for items under ARC except Minor Equipment's will exceed Rs.1 lakh. For Minor Equipment, the upper limit of such order value is Rs.50,000/- including all taxes and charges.
2. The discount rate as mentioned above is the minimum discount rate. The users of the University may enhance the said discount rate by discussion with the vender under ARC 2024-25 for their quoted items, if possible, without compromising the quality of the items.
3. Before issuing purchase order to any supplier, user must seek copy of the letter issued from KU in favor of ARC for the year 2024-25 to ensure whether the supplier is covered under ARC or not and the items to be purchased are covered with the ARC with that respective supplier or not .

4. Before issuing purchase order to any supplier, user must collect quotation from the supplier that should be enclosed with the bill for payment.
5. User must enclose relevant page of the ARC highlighting the ARC discount allowed by the supplier along with the bill to be submitted for payment.
6. If any Vender supplies materials of any manufacturers not covered under ARC, the bill submitted by the said vender will attract penalty of 30% on the bill value after allowing nominal discount but before GST. This will be over and above the highest discounted offered by the manufacturer/dealer covered under ARC with the University for the same Category.
If such supplier not covered under ARC with the University allows discount more than the nominal discount as per ARC, the discount allowed by the supplier will be consider as nominal discount. Bill value after such discount and before GST will be eligible for calculation of penalty @30%. If such discount is less than the discount as per ARC, then ARC discount will be considered as nominal discount.

7. Venders not listed under the above Rate Contract are not eligible for supply over and above Rs.10,000/- as per University Purchase Rule without quotation. Concerned Teachers, Officers, Non-Teaching Staff and Research Scholars are requested kindly to check the quotations from the venders as per the above list specially the items to be purchased, their entitlement under Rate Contracts, discount rate etc. before any purchase under the above Rate Contract to avoid any sorts of problems on payment of bills after supply from the University Exchequer.

This is issued with the kind concurrence of the Hon'ble Vice-Chancellor, KU.

Copy forwarded for information:

1. Vice-Chancellor
2. The Registrar, KU
3. The Finance Officer, KU
4. HoDs, Faculty of Science, KU
5. HoDs, Faculty of Engineering, Technology & Management, KU
