- **The Concept Note of the Workshop:**

In the rapidly evolving media landscape, social media has become an indispensable tool for journalists. This two-day workshop aims to explore the intersection of journalism and social media, equipping participants with the skills and knowledge necessary to navigate this dynamic environment effectively. The workshop will bring together students, budding journalists, and media professionals to discuss best practices, ethical considerations, and innovative storytelling techniques in the context of social media.

Objectives

To Educate: Provide insights into the role of social media in modern journalism, highlighting its impact on news dissemination and audience engagement.

To Empower: Equip participants with practical skills for utilizing social media platforms effectively for research, reporting, and audience interaction.

To Discuss Ethics: Address the ethical challenges and responsibilities that come with reporting in the digital age, including issues of misinformation and credibility.

To Foster Networking: Create a platform for participants to connect with industry professionals, academics, and peers, facilitating the exchange of ideas and experiences.

This workshop represents a unique opportunity to bridge the gap between traditional journalism practices and the contemporary demands of social media. By fostering an environment of learning and collaboration, we aim to empower the next generation of journalists to adapt to the challenges and opportunities of the digital age. We invite all interested participants to join us for this enlightening and interactive experience at the University of Kalyani.
