**Application Deadline:** 16.04.2025

**Position:** 2D Animation Instructor

**Department:** Visual Arts, University of Kalyani

We are seeking a passionate and experienced 2D Animation Instructor to join our Visual Arts Department. The ideal candidate will have expertise in traditional and digital 2D animation techniques, as well as a strong portfolio of work. The instructor will be responsible for designing and delivering engaging courses that prepare students for careers in the animation industry.

**Key Responsibilities:**

- Teach 2D animation courses, including character design, storyboarding, and digital animation techniques.
- Develop course materials, projects, and assessments.
- Guide and mentor students to help them build professional portfolios.
- Collaborate with other faculty members to enhance the animation curriculum.

**Qualifications:**

- Proficiency in software such as Adobe Animate, Toon Boom, After Effects, Adobe Photoshop, Adobe Flash, Premiere Pro.
- Minimum of 15 years industry experience & 2 years of teaching in animation.
- Bachelor's degree in any discipline along with the experiences as per advertisement in animation or a related field.
- Experience in both traditional and digital animation.
- Strong knowledge of character design and storytelling in animation.

**Application Deadline:** 16.04.2025

**Position:** 3D Animation Instructor

**Department:** Visual Arts, University of Kalyani

We are looking for a skilled and enthusiastic 3D Animation Instructor to join our creative team. As an instructor, you will teach students the essential skills needed for 3D modelling, animation, and rendering. Your expertise in industry-standard software will help students master the tools and techniques they need to succeed in the world of animation.

**Key Responsibilities:**

- Teach 3D animation principles, including modelling, rigging, rendering, and animation.
- Instruct students on industry-standard software (Blender, Maya, 3ds Max).
- Provide constructive feedback and guide students through projects.
- Develop lesson plans, assignments, and tutorials.
- Stay up to date with the latest animation trends and technology.
- Foster a creative and engaging learning environment.

**Qualifications:**

- Proven experience in 3D animation and digital media creation.
- Proficiency in industry-standard 3D animation software.
- Strong portfolio, showcasing animation and modelling skills.
- Minimum of 15 years industry experience
- Passionate about sharing knowledge and inspiring creativity.
