About the Conference

The Two-Day International Conference on Current Developments in Plant Science Research: Translating Research to Impact, brings together leading scientists, young researchers, and industry partners to discuss emerging trends shaping modern botany. Organized by the Department of Botany, University of Kalyani, renowned for its long-standing academic excellence, the event promotes meaningful dialogue, collaboration, and real-world application of research. Key themes include Food Security, Environmental Mitigation and Adaptation, Plant Systematics and Phylogeny, and Bio-prospecting. An industry-oriented track on IPR and Startups with an Innovators' Exhibition further highlights practical solutions and technology-driven opportunities in plant science.

About Kalyani Township

Kalyani Township in West Bengal, India, is a quiet, green, and thoughtfully designed academic hub, home to the University of Kalyani, one of the state's long standing and reputed centres of higher learning. It is known for its clean avenues, peaceful ambience, and vibrant student community. Located just 50 km from Kolkata with excellent road and rail connectivity, it provides both the charm of a university town and the convenience of easy travel, making it a welcoming venue for this international conference.

Food Engineering, IIT, Kharagpur

Dr. Debasis Chakrabarty
Chief Scientist, Genetics & Molecular
Biology Division, NBRI, Lucknow

Dr. Amit K. Ghosh
Emeritus Scientist (CSIR),
Scientist F (Retd.), Birbal Sahni Institute
of Palaeosciences, Lucknow

Dr. Pranab Kumar Mondal
Associate Professor
Microfluidics & Microscale Transport Processes Lab,
Dept. of Mechanical Engineering, IIT Guwahati

Sub-Themes of the Conference

- Food Security: Problems and Solutions
- Mitigation & Adaptation to Environmental Challenges
- Plant Systematics, Diversity and Phylogeny
- Bio-prospecting and Plant Resource Management

IPR & Startups: Innovations & Protection

- Exhibition for Innovators, Startups and Entrepreneurs

AWARDS

- Best Research Paper Award for each sub-theme
- Best Student Presentation Awards
- Best Poster Presentation Awards
- Best Innovation/ Prototype Award
- Best Startup Showcase Award
- Best IPR Ready Innovation Award

Abstract Template

- **Title of the Paper**
(Times New Roman, 14 pt. Bold, Centre)
- **Author(s)**
(Full Names of Author(s), TNR 12 pt. Bold, Centre)
- **Affiliations**
(Department, Institution, Email ID of Authors)
- **Sub-theme**
(Select appropriate conference sub-theme)
- **Keywords**
(4-6 only)
- **Abstract**
(Max. 300 words, TNR 12 pt., 1.5 spacing, justified)
- **Mention preferred mode of presentation**
(Oral/ Poster)

Abstract requirements:

- Submit both in word and pdf formats
- Abstracts must present 'original work'

Template for Innovators/ Startups & Entrepreneurs

- **Title of Innovation/ Startup/ Exhibit**
(Times New Roman, 14 pt. Bold, Centre)
- **Name of Innovator(s)/ Founder(s)**
(Full Names in TNR 12 pt. Bold, Centre)
- **Affiliations/ Organization/ Startup Name**
(Institution/ Incubation Centre/ Comp. & Email IDs)
- **Keywords**
(4-6 only)
- **Innovation Summary**
Provide brief overview of the innovation, its purpose, uniqueness, & IP relevance.
(Max. 300 words, TNR 12 pt., 1.5 spacing, justified)
- **Mention preferred mode of presentation**
(Stall/ Poster/ Prototype display)

Abstract requirements:

- Submit both in word and pdf formats
- Abstracts must present 'original innovation/ entrepreneurial work'
