

NOTICE

This is for information to all concerned that *Kalyanvarna – Bhesoj Aabir/ Herbal Gulal*, a pioneer venture of the University of Kalyani has been curated by the Incubation Cell under the Institution's Innovation Council and the Department of Botany. The herbal aabir crafted by research scholars from different departments under able guidance of an expert resource person, with dyes sourced from plants carefully nurtured and organically grown in the Kalyani University Biodiversity Educational and Conservation Park, will be put for sale in the ground floor lobby of the Administrative Building on 27th February and 2nd March, 2026 before we celebrate the festival of colours. The members of the university fraternity are welcome to purchase the same to encourage the endeavours of the Institution's Innovation Council.
